REPORT OF INDEPENDENT AUDITOR

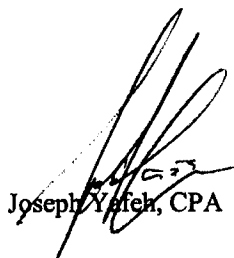

Board of Directors
Singer Xenos Securities Corp
Coral Gables, Florida

I have audited the accompanying statement of financial condition of Singer Xenos Securities Corp. (the Company) as of December 31, 2010 and related statements of income, changes in shareholder's equity and changes in financial condition, and for the year then ended. These financial statements are being filed pursuant to Rule 17a-5 of the Securities Exchange Act of 1934 and include the supplemental schedule of the net capital computation required by rule 15c3-1. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, such financial statements referred to above present fairly, in all material respects, the financial condition of the Company as of December 31, 2010 and the results of its income, shareholder's equity and changes in financial condition for the year then ended in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II and III is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SINGER XENOS SECURITIES CORP.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Singer Xenos Securities Corp. (the Company) has been approved as a registered broker-dealer with the Securities and Exchange Commission under SEC Rule 15(b) as of December 20, 2001. The Company was incorporated August 8, 2001 in the State of Florida.

Basis of Presentation

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recent Accounting Pronouncements

The Financial Accounting Standards Board ("FASB") implemented the FASB Accounting Standards Codification (Codification) effective July 1, 2009. The Codification has become the source of authoritative Generally Accepted Accounting Principles ("GAAP") recognized by FASB to be applied to nongovernmental entities. On the effective date of the Codification, the Codification superseded all then existing accounting and reporting standards. All other non-grand-fathered accounting literature not included in the FASB Codification has become non-authoritative. References to GAAP included in the FASB Codification are noted as Accounting Standards Codification ("ASC").

Following the effective date of the Codification, FASB will not release new standards in the form of Statements, FASB Staff Positions, or Emerging Issues Task Force Contracts, but instead will issue Accounting Standards Updates. Updates will not be considered authoritative in their own right, but will serve only to update the Codification, provide background information about the guidance in the Codification, and provide the basis for the changes in the Codification.

For the year ending December 31, 2010, various accounting pronouncements or interpretations by the FASB were either newly issued or had effective implementation dates that would require their provisions to be related in the financial statement for the year then ended. The Company has reviewed the following Statements of Financial Accounting Standards ("SFAS")/ASC topics for the year to determine relevance to the Company's operations.

The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

SINGER XENOS SECURITIES CORP.
NOTES TO FINANCIAL STATEMENTS - Continued
DECEMBER 31, 2010

NOTE 2 - INCOME TAXES

The Company files its income tax as an "S" corporation whereby income and losses pass directly through to its sole shareholder. The State of Florida does not have any franchise tax. Consequently, there are no taxes on the Company's profit.

NOTE 3 - NET CAPITAL REQUIREMENTS

In accordance with the net capital provisions of Rule 15c3-1 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital as defined of \$5,000. See page 8 for the net capital computation.

NOTE 4 - RELATED PARTIES TRANSACTIONS

The Company's president is the sole owner of the broker-dealer. The owner is active in two related companies:

- 1) Singer Xenos, Inc., dba Singer Xenos Wealth Management, a SEC Registered Investment Advisor – 51% ownership.
- 2) Physicians Investment Advisors Inc. ("PIA"), an insurance general agent – 50% ownership.

All revenue is generated through the above companies. The Company has an expense sharing agreement with PIA. The Company paid PIA \$24,000 in 2010 for such expenses.

NOTE 5 - SIPC SUPPLEMENTARY REPORT REQUIREMENT

The Company has a certification of exclusion from membership with SIPC.

NOTE 6 - SUBSEQUENT EVENTS

Management has reviewed the results of operations for the period of time from its year end December 31, 2010 through February 28, 2011, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying combined financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

SINGER XENOS SECURITIES CORP.
SCHEDULE I
COMPUTATION OF NET CAPITAL REQUIREMENTS PURSUANT
TO RULE 15c3-1
DECEMBER 31, 2010

Computation of Net Capital

Total shareholder's equity from statement of financial condition	\$234,937
Non allowable assets	
Commission receivable	<u>(179,499)</u>
Net Capital	<u>\$ 55,438</u>

Computation of Net Capital Requirements

Minimum net capital required 6-2/3 of total liabilities	<u>\$ 1,016</u>
Minimum dollar net capital required	<u>\$ 5,000</u>
Net Capital required (greater of above amounts)	<u>\$ 5,000</u>
Excess Capital	<u>\$ 50,438</u>
Excess net capital at 1000% (net capital less 10% of aggregate indebtedness)	<u>\$ 53,914</u>

Computation of Aggregate Indebtedness

Total liabilities	<u>\$ 15,235</u>
Percentage of aggregate indebtedness to net capital	<u>28%</u>

Reconciliation

The following is a reconciliation of the above net capital computation with the Company's corresponding unaudited computation pursuant to Rule 179-5(d)(4):

Net capital – unaudited	\$ 30,139
Audit adjustments	<u>25,299</u>
Net capital – audited	<u>\$ 55,438</u>

See Accompanying Notes to Financial Statements

SINGER XENOS SECURITIES CORP.
Schedule II – Computation for Determination of Reserve
Requirements Pursuant to Rule 15c3-3

PART II

Report on Internal Control Required by SEC Rule 17a-5(g)(1) for a
Broker-Dealer Claiming an Exemption from SEC Rule 15c3-3

Board of Directors
Singer Xenos Securities Corp.
Coral Gables, Florida

In planning and performing my audit of the financial statements of Singer Xenos Securities Corp. (the Company), as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, I considered the Company's internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g) (1) of the Securities and Exchange Commission (SEC), I have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that I considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, I did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's previously mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Board of Directors
Singer Xenos Securities Corp.
Coral Gables, Florida

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented or detected and corrected on a timely basis.

My consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. I did not identify any deficiencies in internal control and control activities for safeguarding securities that I consider to be material weaknesses, as defined previously.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, and FINRA, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Joseph Yafeh, CPA
